# Our Purpose

---

The Los Cabos Centro Juvenil Comunitario (Youth Center) will be the new home of multiple non-profit foundations whose mission is to serve the youth in the Los Cabos area. These foundations are focused on all aspects of the youth's development including intellectual, emotional and physical development. Los Cabos Centro Comunitario will provide a shared environment for the various foundations. It will enable and foster collaboration. This unique setting will naturally encourage idea and resource sharing among the foundations allowing them to grow and ultimately serve more children.

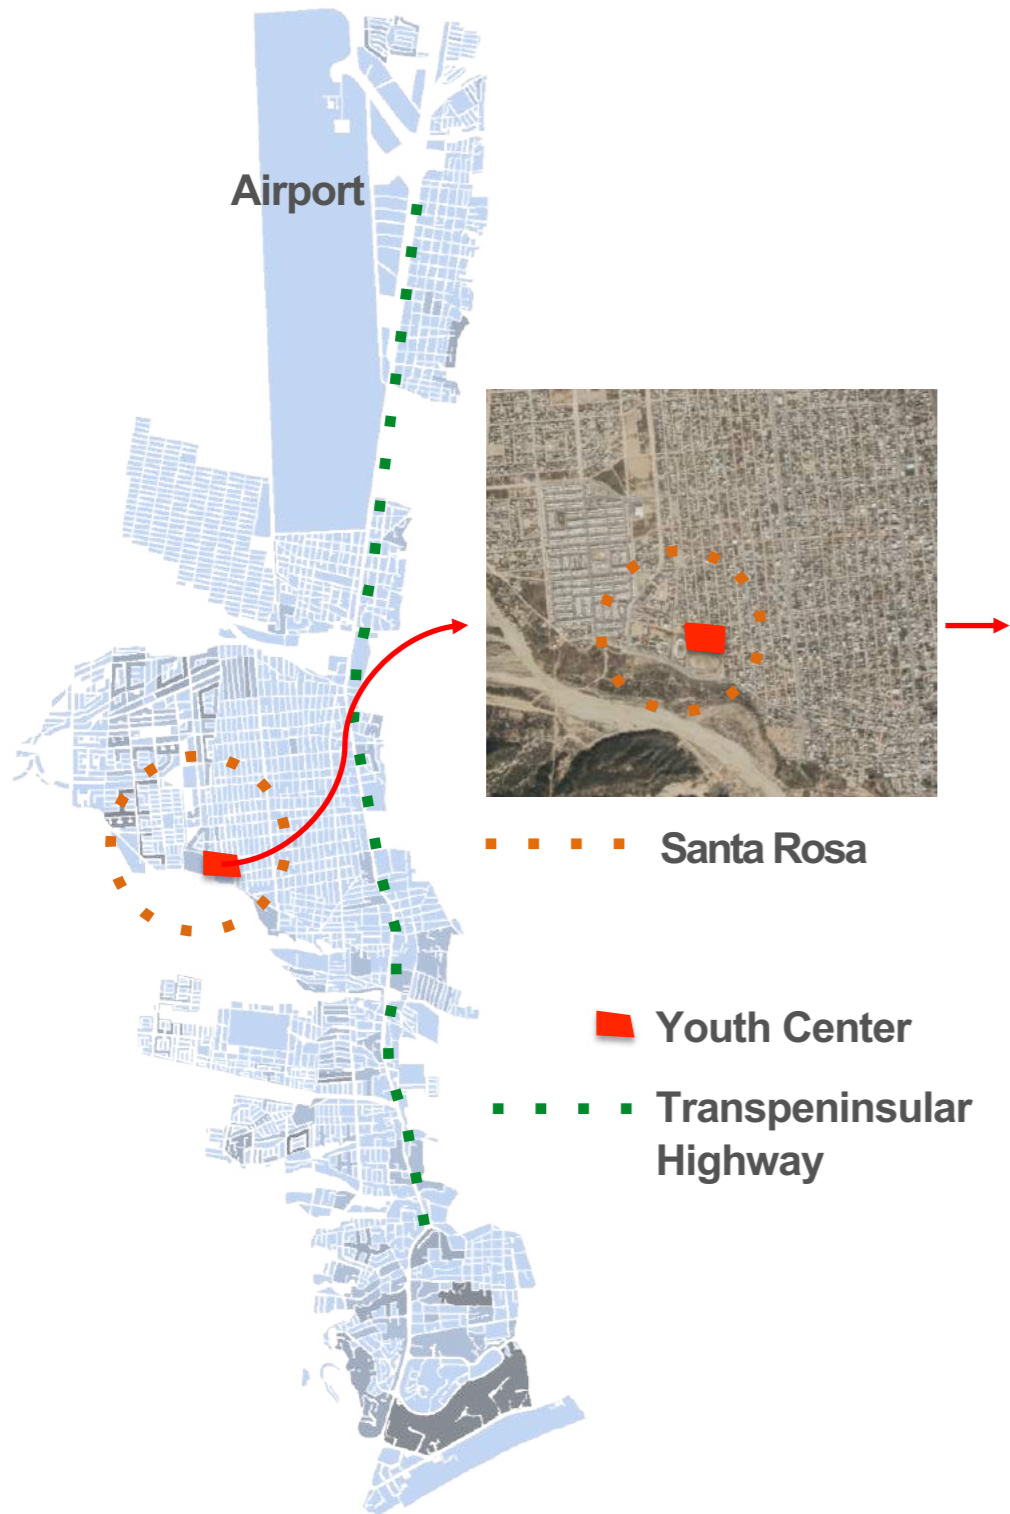

LOS CABOS  
CENTRO JUVENIL COMUNITARIO

**Los Cabos Centro Juvenil Comunitario** will be the first of its kind in the Los Cabos area. It will provide a safe and comfortable learning environment for the youth, coaches, teachers and volunteers.
